

Early Years Pupil Premium Policy

‘The aim of the Early Years Pupil Premium is to close the gap between children from disadvantaged backgrounds and their peers by providing funding to early years providers to help them raise the quality of their provision’ (Department for Education (DfE) Consultation)

The Early Years Pupil Premium provides an extra 53 pence per hour on top of the Free Entitlement for three and four year old children whose parents are in receipt of certain benefits or who have been in care or adopted from care. This means an extra £302 a year for each child taking up the full 570 hours funded entitlement to early education.

Sherwood Green can use the extra funding in ways that we see appropriate to improve the quality of the early years education that we provide for your child. This could include for example additional training for our staff on early language, investing in partnership working with our colleagues in the area to further our expertise or supporting our staff in working on specialised areas such as speech and language.

We ask all parents to fill out an additional form to that of the Free Entitlement so that we are able to claim the Early Years Pupil Premium on your behalf if eligible.
