Children's mental health week

WHY CHILDREN MENTAL HEALTH MATTERS?

Children, just like adults, can experience a wide range of emotions. It's crucial to provide them with the tools to understand and express these feelings in a healthy way. By addressing mental health from an early age, we can help our little ones build resilience, emotional intelligence, and the ability to navigate life's challenges.

SPA DAY!

On the **6th of February**, we have planned an exciting day filled with activities that promote well-being and raise awareness about the importance of children's mental health. Our goal is to provide a safe and supportive environment where our little ones can explore their emotions and learn valuable tools for managing them.

We will be exploring Safer Internet Day (mainly in preschool), helping children begin to understand the importance of staying safe online. Through age-appropriate activities, stories, and discussions, we will explore how to use technology safely, kindly, and responsibly. Encouraging early awareness of online safety helps build good digital habits for the future. Let's work together to create a safer online world for our little learners!

LANTERN DAY

12.02.2025

We will be celebrating Lantern Day, a special occasion that brings light, joy, and togetherness! Children will explore the meaning behind this festive tradition through creative activities, storytelling, and crafting their own lanterns. It's a wonderful opportunity to learn about different cultures, spark imagination, and brighten up our nursery with beautiful glowing creations.

We can't wait to see their excitement as they explore the animal kingdom!

1. **Choose a Book:** Let your child pick a book that interests them. We have a variety of picture books and storybooks for all ages.
2. **Borrow a Book:** After choosing a book, fill out the borrowing sheet.
3. **Read and Enjoy:** Take the book home and enjoy reading it together. This helps build a love for books and strengthens your bond.
