🌿 Why Spring Walks Are Great for Children 🌿

Walks are a wonderful way to support children's learning and development. They help children:

Stay active and healthy – Walking helps build strong muscles and supports physical development.

Explore the world around them – Children notice flowers, birds, trees, and other signs of the season, which builds curiosity and knowledge about nature.

Develop language – Talking about what they see during the walk helps build new words and communication skills.

Calm their minds – Being outdoors in fresh air can help children feel calm, happy, and focused.

Build confidence – Exploring the local area helps children feel more confident and independent.

Preschool – Transport & Road Safety

Our preschoolers are interested in transport, so we'll be learning about different types of vehicles and linking this to road safety. This will help prepare them for our upcoming Spring Walk, as they learn how to stay safe near roads.

Toddlers – Numbers (0–10)

The toddlers are enjoying counting, so we'll be focusing on numbers from 0 to 10. We'll count different objects and take part in fun maths activities like a number hunt around the nursery!

Babies – Mark Making

Our babies are exploring mark making through paint, edible paint, bingo pens, and even some fun body painting! These activities help them develop early writing and sensory skills.

We're looking forward to a fun and engaging week full of learning through play!

Reading helps children grow their imagination, language skills, and love for learning. Our nursery library is full of wonderful books, and we'd love for you and your child to join in. Here's how it works:

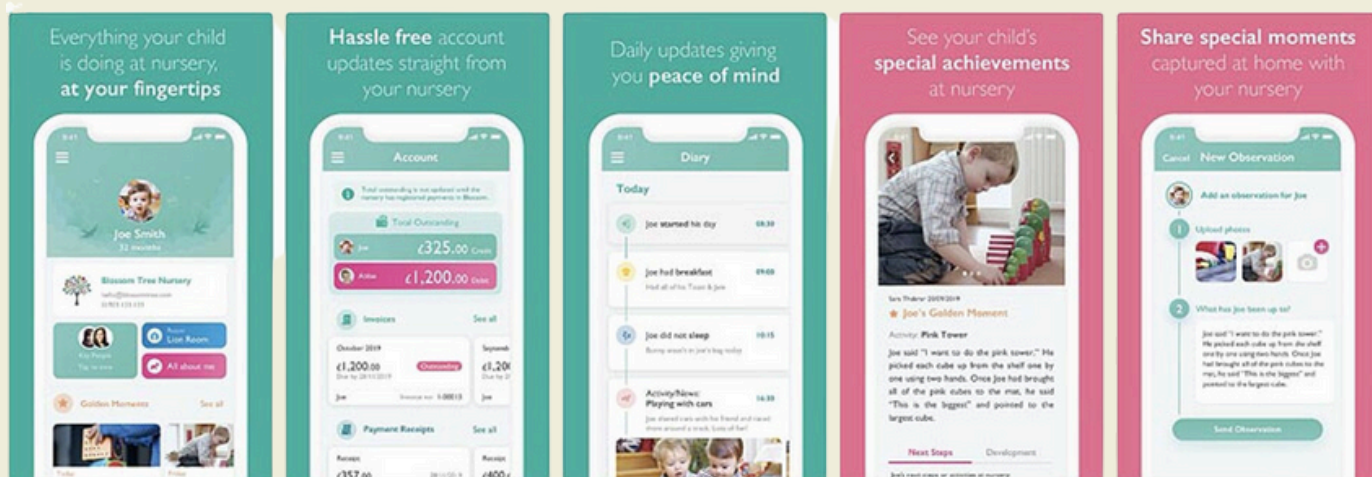

1. **Choose a Book:** Let your child pick a book that interests them. We have a variety of picture books and storybooks for all ages.
2. **Borrow a Book:** After choosing a book, fill out the borrowing sheet.
3. **Read and Enjoy:** Take the book home and enjoy reading it together. This helps build a love for books and strengthens your bond.
4. **Return and Repeat:** Once you're done, return the book and pick a new one to enjoy!
