# OUTDOOR CLASSROOM DAY

1

"LEARNING COMES ALIVE IN THE GREAT  
OUTDOORS!"

2

We will be taking learning outdoors! The children will enjoy a full day of fun activities in the garden, exploring nature, playing games, and making the most of the fresh air and sunshine.

3

**As part of Outdoor Classroom Day, the children will be enjoying a special teddy bear picnic! They are welcome to bring in their favourite teddy to join in the fun. It will be a lovely opportunity for the children to engage in outdoor learning and imaginative play with their cuddly teddies.**

We will be celebrating the joy of smiles as part of our journey in understanding emotions. Smiling helps us express happiness, build connections, and recognize how others feel. Through stories, songs, and play, we're helping the children explore what a smile means—and how it makes us and others feel. Let's keep spreading kindness and joy, one smile at a time!

## SUN AWARENESS DAY

13.05.2025

**On May 13th, 2025, Sherwood Green Nursery will actively participate in National Sun Awareness Day. Our focus will be on educating children about sun safety and fostering healthy habits for sun protection. Through engaging discussions and age-appropriate activities, we will emphasize the importance of wearing sunscreen, wearing protective clothing, and seeking shade when outdoors. We aim to empower our children with the knowledge and tools they need to stay safe in the sun.**

We will be celebrating the National Day of Families across the whole nursery! Through meaningful activities, stories, and creative play, children of all ages will explore what family means to them. We'll talk about the different shapes and sizes families come in, the love that connects us, and the special people in our lives. It's a wonderful opportunity to strengthen emotional understanding, encourage empathy, and celebrate the important role families play in each child's world.
