Dear Parents/Carers,
Welcome to July! As we enjoy the height of summer, the children will continue to explore the outdoors with fun seasonal activities like water play, nature walks, and sunny crafts. We're also celebrating a special milestone this month—our leavers' graduation! It's a time of reflection, celebration, and preparing for new adventures. We're excited to make lasting memories together as we wrap up a wonderful year.

GRADUATION

w/c 30.06.2025

We're looking forward to a special time in the nursery as we prepare for the big milestone of graduation and moving on to school! The children will be taking part in lots of fun and creative activities, including graduation-themed artwork and role play to help them explore and understand this exciting transition.

We'll also be talking together about the changes ahead, introducing the idea of school routines, new environments, and what they can expect. These experiences are designed to build confidence, support emotional readiness, and celebrate all they've achieved during their time with us. It's a meaningful journey, and we're here to make it a joyful and positive one for every child.

Happy Birthday

04.07.2025

The children will be learning about the NHS as it celebrates its birthday! Through stories, role play, and creative activities, we'll explore the important work of doctors, nurses, and other healthcare heroes. It's a wonderful opportunity to help children understand care, kindness, and the people who help keep us healthy.

PRESCHOOL & TODDLER Superhero Week Ahead!

Our pre-schoolers and toddlers are in for an action-packed week as they dive into the exciting world of superheroes! They'll be creating their own superhero masks, capes, and props using a variety of materials, all while exploring what it means to be brave, kind, and helpful. This fun, hands-on week will spark creativity and imaginative play. Please avoid sending children in their best clothes, as things may get a little messy during all the super-powered fun!

On 3rd July 2025 the children will have a superhero party which means they can come dressed up as their favourite superhero.

BABY PRIMARY COLOURS WEEK AHEAD!

Our babies will be exploring the bright and bold world of primary colours through fun sensory play! From red, yellow, and blue textures to colourful visuals and gentle sounds, these activities will support early development and spark curiosity as they discover a rainbow of new experiences.

Our focus will be on helping children learn all about the summer season through fun, engaging experiences. Through stories, discussions, and creative activities, children will explore the changes summer brings—warmer weather, longer days, and time outdoors. They'll learn about summer traditions, seasonal foods, and the importance of staying safe and hydrated

NURSERY LIBRARY IN THE RECEPTION

Reading helps children grow their imagination, language skills, and love for learning. Our nursery library is full of wonderful books, and we'd love for you and your child to join in. Here's how it works:

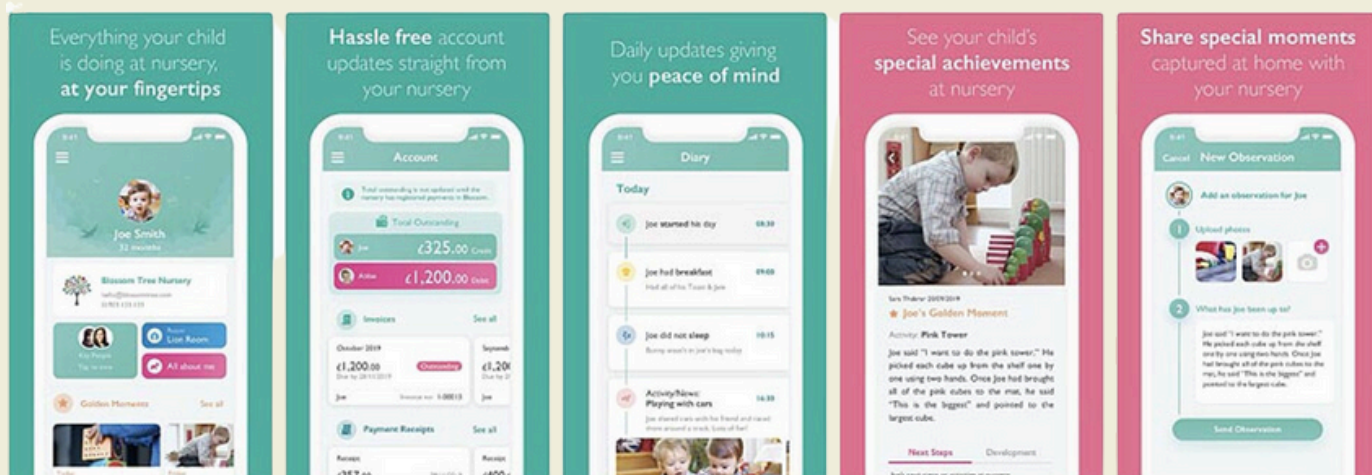

1. **Choose a Book:** Let your child pick a book that interests them. We have a variety of picture books and storybooks for all ages.
2. **Borrow a Book:** After choosing a book, fill out the borrowing sheet.
3. **Read and Enjoy:** Take the book home and enjoy reading it together. This helps build a love for books and strengthens your bond.
4. **Return and Repeat:** Once you're done, return the book and pick a new one to enjoy!
