If you believe you may be eligible for this funding but are not yet receiving it, please visit [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk) and complete the form to check your eligibility.

Important: If you are applying for a new code, this must be obtained and sent to us before **31st August 2025** in order for your child to access the funding from September 2025.

# GRADUATION

We're looking forward to a special time in the nursery as we prepare for the big milestone of graduation and moving on to school! The children will be taking part in lots of fun and creative activities, including graduation-themed artwork and role play to help them explore and understand this exciting transition.

We'll also be talking together about the changes ahead, introducing the idea of school routines, new environments, and what they can expect. These experiences are designed to build confidence, support emotional readiness, and celebrate all they've achieved during their time with us. It's a meaningful journey, and we're here to make it a joyful and positive one for every child.

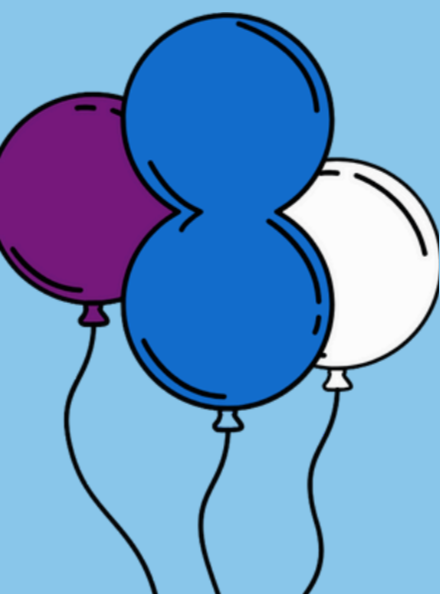

## *Happy Birthday*

04.07.2025

The children will be learning about the NHS as it celebrates its birthday! Through stories, role play, and creative activities, we'll explore the important work of doctors, nurses, and other healthcare heroes. It's a wonderful opportunity to help children understand care, kindness, and the people who help keep us healthy.

## PRESCHOOL & TODDLER Superhero Week Ahead!

Our pre-schoolers and toddlers are in for an action-packed week as they dive into the exciting world of superheroes! They'll be creating their own superhero masks, capes, and props using a variety of materials, all while exploring what it means to be brave, kind, and helpful. This fun, hands-on week will spark creativity and imaginative play. Please avoid sending children in their best clothes, as things may get a little messy during all the super-powered fun!

On 8<sup>rd</sup> July 2025 the children can come dressed up as their favourite super hero.

## BABY PRIMARY COLOURS WEEK AHEAD!

Our babies will be exploring the bright and bold world of primary colours through fun sensory play! From red, yellow, and blue textures to colourful visuals and gentle sounds, these activities will support early development and spark curiosity as they discover a rainbow of new experiences.

- 2. Borrow a Book:** After choosing a book, fill out the borrowing sheet.
- 3. Read and Enjoy:** Take the book home and enjoy reading it together. This helps build a love for books and strengthens your bond.
- 4. Return and Repeat:** Once you're done, return the book and pick a new one to enjoy!
